The Youth Center, Inc. is a non-profit corporation focused on serving the children (ages 6 to 18) and families of Adams, Cheshire and Savoy. Its mission is to provide community-based educational, recreational and social activities in a safe, supportive environment. Youth can come on an at-will basis to an environment in which they can utilize the equipment (computer lab, pool & foosball tables, video games and lounge area with big screen TV), hang out, get homework help, or participate in special programming, all in a substance-free, equal opportunity setting. Special programming includes classes, field trips and vacation camps.
