Citizens Health is a prescription drug and vision care discount card sponsored by the nonprofit organization Citizens Energy. It is designed for everyone who pays full retail price for some or all of their prescriptions. This includes people without health insurance, or whose insurance doesn't cover all the prescriptions they need. The Citizens Health card must be used at participating pharmacies. This card also enables individuals to obtain eyeglass frames, lenses and contact lenses at a reduced cost at participating vision centers in the Berkshires. There are no income guidelines. Apply by calling the above number.
