

# Off-Campus Application

Due November 4, 2009 at *The Office of Campus Life*

NOTICE: Completing this application only enters you into the lottery process for off-campus housing. It does not grant you permission to live off-campus. You may apply alone or in a group of up to 10 people. If you have been denied permission to enter the Off-Campus Lottery, you will be notified by GetARoom@ Williams. If no lottery is held you will be notified of your release.

If a lottery is needed, lottery numbers will be randomly assigned by a computer program for each application and will be posted by student ID on the web on November 11, 2009. Directions for reading this site will be listed in the Daily Message Posting. Students will be notified if they are released or on a waiting-list.
