

WILLIAMS COLLEGE

Academic Advising Questionnaire

Your responses to the following questions will help your Academic Advisor get to know you and your academic needs in advance of your first meeting with him/her on Academic Advising Day—Wednesday, September 3rd. The assignment of your advisor is a process taken very seriously, but the choice may not be a direct reflection of your immediate or future intellectual and/or career interests. Advising specific to those needs is readily available, but the intent of this first meeting is to introduce you to the range and breadth of the academic resources at Williams.
