Dear Williams Student,

As you prepare for the upcoming 2018-2019 academic year, it's time once more to enroll in, or waive, the Williams health insurance plan.

Unless you waive the coverage by August 1, Williams will automatically enroll you in the college's health insurance plan at a cost of \$1,976 for the 2018-2019 academic year.

You'll find extensive information on the Williams plan, and considerations to take into account when deciding whether to enroll or waive this year, on this website <http://health.williams.edu/student-health-insurance/>.

When you have determined which choice to make, just follow these simple steps. You'll need your Williams student ID and your current insurance information if you wish to waive the college's coverage.

1. Go to www.gallagherstudent.com/williams
2. Click "Student Waive/Enroll" on the left
3. If you already have a user account, enter your username and password. If you don't have a user account, fill out the "Create a NEW ACCOUNT" box.

Remember: you must complete the online decision form by August 1, 2018. Williams will automatically charge you the insurance premium, which will be removed if the online waiver form is successfully submitted by August 1. *If the online form is not submitted by this deadline, you will remain enrolled in the Student Health Insurance Plan for the entire policy year and the charge will remain on your bill.*

Rest assured: students who waive the Williams insurance plan are entirely eligible and welcomed to use the Health Center. If you have questions on the Student Health Insurance Plan, please call Gallagher Student Health & Special Risk at 800-406-5205 or contact them through the online customer service form available on the Gallagher website at www.gallagherstudent.com/williams (click on Customer Service under the Student Access section). If you have questions about the online enrollment/waiver process, please contact Paula Langer in the Williams Office of Student Accounts at 413-597-4396 or Paula.J.Langer@williams.edu.

Many thanks,
